PATENT

REMARKS

Claims 1-57 are pending. Restriction has been required between a first group of claims that includes claims 1-46 and 57 (Group I), and a second group of claims that includes claims 47-56 (Group II).

Applicant hereby elects the claims of Group I (claims 1-46 and 57) for further prosecution on the merits at this time, without traverse. This election is being made without prejudice to any subsequent prosecution of the non-elected claims, and this election should not be considered acquiescence to the basis for the restriction requirement set forth in the office action.

A notice of allowability is respectfully requested.
